Villa Enters Mexico City With Army HISS

Would Preserve Order in Mexico City; Villa Remains in the Suburbs.

AWAITS ARRIVAL OF GUTIERREZ

Carrancistas Have Report of Rioting in Capital and Desertions from Villa.

EXICO CITY, Mex., Dec. 1 .- Gen. M Francisco Villa entered the capital Monday at the head of 25,000 troops. He arrived during the afternoon in the suburbs, where he reminined during the evening receiving delegates and foreign consuls. Villa will not enter the capital part of the city until the arrival of provisional President Gutierrez. Would Restore Order.

Gen. Villa issued the following statement to the Associated Press;
By only mission is to restore order in Mexico and not to take personal events on anyone. I promise that order will be restored at once. I amosting as the subordinate of provision-i president Guiter a and the national convention.

The provisional president is not a property acting as field commander of a armise. All foreigners and forign property will be protected.

Villa left Tula Monday morning, after raceiving news of the capture of fachuses by the capture of fachuses by the capture. The Carranga roops retired after a skirmish between surposts. Bester Than Last Vielt.

his is better than my last visit, it came here as a friendless prisof Huerta's," ermarked Gen. Villa. his arrival.

n. Villa had a narrow escape from a just before his entry into the His train collided with the train on Manuel Chao. above Tela. over these mines, which were not ex-pleded and were not discovered until the next morning.

HIGHTING in the streets of Mex-Zapatista forces began early this morning, eccording to advices received and printed here in Tago del Norte," a local Merican paper. No details of the fight are given. The paper states that Gin. Aguire Bengvides is in command of the Villa forces and it is not stated who commands the Zapatista.

Confirmation of the report was re-ceived at moon Monday by the Carranza consulate here in official advices from

Veracritz.

Private reports to Carrancistas from
Mexico City Tuesday said Zapats had
threatened to imprison Gen. Villa and
that Villa had been put under arrest,
but later was given his freedom.

New Government.

inst Villa had been put under arrest, but later was given his freedom.

Zignan Forms New Government.

The ressage also stated that Zanaia had so completely broken with Villa that he is forming a separate government. He has appointed Faline Martinez minister of foreign relations and Gen. Banderin minister of foreign relations and Gen. Banderin minister of twar, had been foreign minister of twar.

Ear Moves on Sattillo.

Gen. Eduardo Hay, at the head of a litige force is advancing from Monterey on Sattillo, according to the anne message, which also states that Gen. Luis Gutterrex, brother of the provintional president, has arrived in Monterey and hen relevanted his allegiance to Carraina.

Gens. Manuel Chao, Gregorio Osuna and Alberto Carrera Torrea, all of whom have been fighting with the convention forces, have descried to Carraina, according to advices received Mondey afternoon. Carraina officials immediately took up the matter by wire and Tuesday morning received confirmation of the report.

Affect Villa Seriousty.

The descript of one three generals, if free will not only mean an increase

confirmation of the report.

Affeer Villa Scriously.

The defection of the three generals, if irus, will not only mean an increase of about 4500 men in the Carranza ranks, but it will practically clear the entire district around Tampico of enamiles of the first chief. This is accomplished by the defection of Gen. Corres who, at the head of a couniderable fores, was sent by Villa from San Luis Potosi to capture Tampico. Same days axo the Villains reported that Torres had met a band of Carranzation also miles from Tampico and that Corres had met a band of Carranzation also miles from Tampico and declared them. Al the same time it was reported Gen. Caballero had declared them. Al the same time it was reported Gen. Caballero had declared for the convention. Carranzathis is true.

Chao is said to have taken about 1900 men with him, while Gauna was usable to turn over any of his forces. Torres, it is declared turned over his entire command of 2500 Chao has long been cansidered as wavering. Soon after the Constitutionalist forces xained control of Chilmahua Chao was appointed governor of the state by (Constinued on Page 2, Column 2.)

In Four Months

And Still Lives

New York, Dec. 1.—The world's greatest pie eater has just been found in Garfield. N. J. In four short months he has according to the indignant former owners of the pies, consumed pastry as follows:

1000 apple pies: 1000 mince [ies: 500 peach pies: 500 custard pies: 500 cuconut pies: 1500 miscellaneous pies:

or, turning from the artistic to the material, ples worth just \$108.15.

This standing broad nie eater, whose record Gardell offers to the world, is John Kassica, according to Karel Klipzinki, a Passale baker, who thinks John's talents constitute a menace to society and consequently has find him arrested.

Kliczinki said Kassica had been in his employ from June to October, and it was not until after he left that the baker discovered he had been entertaining a gustatory genius. Investigation showed him, he said, that John had been enting pie for breakfast, dinner and supper, with a few thrown in for morning and afternion snack John, with the effectiveness and determination of a German army machine, and without any ostentation at all, had been devouring about 11 pies a day for 120 days. for 120 days.

Kassica denies he possesses the extraordinary talents ascribed to

The War At a Glance

NOPPICIAL reports that the Germans had undertaken another attack on Ypres, markother attack on Tyres, mark-ing the beginning of a great bat-tic, received no confirmation in to-day's communications from the French and German war offices. The French statement, however, contains a vague reference to re-newed German efforts in the re-gion in which they have been ex-pected to make their onslaught in case they attempted again to break

case they attempted again to break through to the English channel. It is said that the enemy was aboving "considerable activity" to the north of Arras, a French town near the Belgian border. In Relgium the artillery fire has become more spirited after a long Iuli. The formula attempt dismisses the

attuntion in the west by anylog that there is nothing to report.
GERMANY MORE CONFIDENT-

there is aciding to report.

GERMANY MORE CONFIDENT—

Blankets and Shawls Taken From Peasants.

Petrograd, Russia, Dec. 1.-The contion of German prisoners captured in he vicinity of Lods is said to resemble that of the French troops during Naposon's retreat from Moscow. Many of hem have frozen hands and feet. They wers wrapped in blankets and shawls taken from the pensants. One private wore a woman's fur wrap. The prison-

wore a woman's fur wrap. The prisoners say that before their capture their courage was kept up by the stories that the burgomasters were bringing warm clothes which would be distributed in a few days.

Peared Buildings Mined.

The reported use by the Germans of monasteries, chapels and other public buildings in captured towns as barracks, stables and gun stations is explained by the prisoners as due to the belief that the private buildings had been mined.

Would Prevent Previous

Reports from the front are that Ger-nar reinforcements sent for the army f Gen Mackensen near Lodx, are fak-ing up positions along the Vistula river. ing up positions along the Vistula river, where the German resistance seems to have been least effective. The apparent purpose of this move is to hinder the Hussian enveloping movement until the main German column is extracted from the line which runs from Strykow through Griers to Szadk.

VON MOLTKE RECOVERS. IS RETURNING TO FRONT

Amsterdam, Holland, Dec. 1.—Lieut.
Gen. count Von Moltke, says a dispatch
to the Telegrant, has recovered his
health and is returning to the front.
He is thief of the German general staff.
Count Von Moltke had been ill for
several weeks, during which time various reports concerning him were ciroulated.

It was said he had been succeeded
as chief of staff by Maj Gen. Falkenhayn. This repert, however, was not
confirmed, it being said in Berlin that
Gen. Falkenharn was merely acting as
chief of staff during the filness of Gen.
Von Moltke.

Many Prisoners Wrapped in | Think Germany Uses the Reports to Direct Zeppelin Attacks.

is because the German Zeppelin airorder forbidding the publication of weather forecasts, ...bbe Moreux director of the weather bureau, has explained how the cutfing off of these reports will affect German calculations. He says that the order is no mere whim of the French censor, but is designed to bear vitally upon the much feared Zeppelin raid on England.

May Prevent London Attack. May Prevent London Affack.

"It is clear," the abbe stales, "that the deeperate efforts of the Germans to reach the French coast between Denkirk and Calais are prompted by their invention to attack England with Zeppelins. A dirigible balloon from antwerp could so the distance of 200 kilometers (about 180 miles) to London, bombard the city and return to its base in less than 10 hours. Such a trip, however, would have to be made trip, however, would have to be made

Abbe Moreux explains that in order to work out their weather pro-ictions Germans would require shout 60 reports, which in normal times appear at a certain hour in the principal European cities. The most important weather stations are along the channel counts, so that if France and Knsland send no reports the others are practically valueless.
